DESPRE NOI

Producem locuri de joacă durabile și cu necesar minim de întreținere.
De-a lungul anilor, portofoliul nostru s-a extins semnificativ, depășind granițele locurilor de joacă tradiționale. Astfel, în cadrul celor peste câteva sute de proiecte finalizate cu succes, am contribuit la realizarea de parcuri de fitness, spații pentru câini, skateparkuri și alte zone exterioare recreative.
Atât biroul nostru, cât și atelierul de producție se află în Pécel, lângă Budapesta, oferind acces logistic excelent datorită apropierii de autostrada M0.
FABERLAND Kft. se remarcă pe piața din Ungaria ca producător unic ce creează produse noi de la zero – totul începe cu ideea concepută de echipa noastră profesionistă de design, continuă în atelierul de producție și prinde viață în spațiul destinat prin echipa noastră de montaj.
Produsele noastre pentru spații publice se caracterizează printr-un conținut tehnic avansat, design estetic și o calitate premium în toate aspectele.
Designerii noștri acordă o atenție deosebită pentru ca fiecare produs să îndeplinească nu doar cerințele tehnice, de siguranță și estetice, ci și nevoile reale ale utilizatorilor.
În acest spirit, implicăm copiii în procesul creativ prin concursuri de desen și colaborăm cu cadre didactice pentru a înțelege nevoile specifice fiecărei grupe de vârstă, obținând astfel feedback valoros pentru perfecționarea produselor.
În calitate de producători de echipamente pentru spații publice, monitorizăm constant tendințele actuale și inovațiile tehnice, pentru a putea oferi clienților noștri produse la cel mai înalt standard.
Toate produsele noastre sunt conforme cu normele internaționale actuale
(MSZ EN 16630, MSZ EN 1176 și MSZ EN 14974) și sunt certificate.
